- 4. **Licensee** represents that it has the facilities, personnel, and expertise to evaluate the commercial applications of the **Materials** and the **Licensed Products** and the inventions encompassed by the **Licensed Patent Rights**, and that it shall expend reasonable efforts and resources on research and development of potential commercial products using the **Materials** or the **Licensed Products** and the inventions encompassed by the **Licensed Patent Rights**.
- 5. **PHS** hereby grants to **Licensee** a nonexclusive license for evaluation purposes only, within its research facilities, to make and use *but not to sell* the **Materials** or the **Licensed Products** and products and processes encompassed within the scope of a claim in the **Licensed Patent Rights**. **Licensee** agrees that any commercial or industrial use or sale of any such products or processes, including any formalized in-house screening programs, other than for evaluation purposes, shall be made only pursuant to the terms of a commercialization license to be negotiated in good faith by the parties. 6. **PHS** agrees, after receipt and verification of the license issue royalty, as required by Paragraph 9(a), to provide **Licensee** with samples of the **Materials**, as available, and to replace the **Materials**, as available, and at reasonable cost, in the event of their unintentional destruction. **PHS** shall provide the **Materials** to **Licensee** as specified in Appendix A.
7. **Licensee** agrees to retain control over the **Materials** and the **Licensed Products**, and not to distribute them to third parties without the prior written consent of **PHS**.
8. This **Agreement** does not preclude **PHS** from distributing the **Materials** or **Licensed Products** to third parties for research or commercial purposes.
9. In consideration of the grant in Paragraph 5:
 - (a) **Licensee** hereby agrees to pay **PHS** a license issue royalty of _____ dollars (\$X) and payment is due within thirty (30) days of the effective date of this **Agreement**.
 - (b) This license issue royalty shall be paid in U.S. dollars and payment options are listed in Appendix B. For conversion of foreign currency to U.S. dollars, the conversion rate shall be the New York foreign exchange rate quoted in *The Wall Street Journal* on the day that the payment is due.
 - i) Any loss of exchange, value, taxes, or other expenses incurred in the transfer or conversion to U.S. dollars shall be paid entirely by **Licensee**; and
 - ii) Additional royalties may be assessed by **PHS** on any payment that is more than ninety (90) days overdue at the rate of one percent (1%) per month. This one percent (1%) per month rate may be applied retroactively from the original due date until the date of receipt by **PHS** of the overdue payment and additional royalties. The payment of any additional royalties shall not prevent **PHS** from exercising any other rights it may have as a consequence of the lateness of any payment.
10. This **Agreement** shall become effective on the date when the last party to sign has executed this **Agreement**, unless the provisions of Paragraph 24 are not fulfilled, and shall expire _____ (X) months from its effective date. Upon termination or expiration of this **Agreement**, **Licensee** shall return all **Materials** and **Licensed Products** to **PHS** or provide **PHS** with written certification of their destruction, unless **Licensee** has executed a commercialization license for the **Licensed Patent Rights**.
11. In the event that **Licensee** is in default in the performance of any material obligation under this **Agreement**, and if the default has not been remedied within ninety (90) days after the date of written notice of the default, **PHS** may terminate this **Agreement** by written notice.
12. **Licensee** acknowledges that third parties also may be evaluating the **Licensed Patent Rights**, the **Licensed Products**, or the **Materials** for a variety of commercial purposes, and no guarantee can be made, should **Licensee** apply for a license, that such a license would be available for any particular field of use. **PHS** agrees to notify **Licensee** promptly if it receives from another company an exclusive license application in the **Field(s) of Use** described in Paragraph 3.

Federal law and regulations shall preempt any conflicting or inconsistent provisions in this **Agreement**. **Licensee** agrees to be subject to the jurisdiction of U.S. courts.
